ID :	Task Name :	2024-10		20	2024-11				2024-12				2025-	2025-01		
		14	20	27	03	10	17	24	01	08	15	22	29	05	12	
1	Project Start		•													
2	▼ Game Design															
3	Brainstorming		-	]												
4	Game Rules			<b>-</b>												
5	MQTT Topics				-											
6	▼ MQTT Broker															
7	Deploy locally															
8	Deploy publicly										-					
9	▼ Meeple															
10	Integrate hall sensor				<b>-</b>											
11	Connect to WiFi				L	<b>▶</b> ■										
12	Connect to MQTT					-										
13	Add game logic					L	+									
14	▼ Operation Base															
20	Integrate LCD display, button and buzzer				<b>-</b>											
21	Connect to WiFi					<b>▶</b>										
22	Connect to MQTT					-										
23	Add game logic						-									
16	2nd Delivery					•										
15	▼ Master															
27	Add game logic															
24	Integrate players											<b>-</b>				
25	Write documentation															
26	Make slides															
18	Documentation submission													••		
19	Project defense														•
